## Software Developer

A recent graduate of Computer Science and Psychology from the UK with overseas work experience. I am passionate about AI, VR, AR, and education and I am eager to pursue these interests in a professional capacity.

### Core Skills

<b>Java</b>	I conducted a year-long Machine Learning project in Java which received a first.
<b>C#, Unity</b>	I am currently taking an online course to expand on what I have previously learnt.
<b>C++</b>	As part of my studies, I created a text-based chess game and a 3D game.
<b>HTML, CSS, JavaScript</b>	While at university, I created 3 websites and I have started another since graduation.

### Education

<b>Sept. 2014 – June 2017</b>	University of Keele, Staffordshire, UK BSc Computer Science AND Psychology Upper Second Class Degree: 65%
<b>Sept. 2011 – May 2014</b>	Lycée du Pays de Soule, Pyrénées-Atlantiques, France Baccalauréat Scientifique (specialised in Engineering) Graduated with honours: 65%

### Experience

<b>Feb. 2017 – June 2017</b>	Code Club, Newcastle-Under-Lyme, UK <ul style="list-style-type: none"><li>Volunteering at an after school club every week.</li><li>Teaching 9 to 11 year olds about programming using Scratch and Python.</li></ul>
